118 Log Canoe Circle, Stevensville, MD 21666 USA  
Made in Mexico

# 3pp<sup>®</sup> Carpal Lift<sup>™</sup> Brace

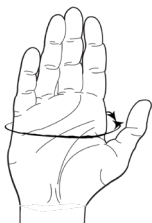

by 3-Point Products<sup>®</sup>, Inc.

Protects & relieves wrist pain caused by:

- Ulnar (little finger) sided wrist pain
- Carpal (small wrist bones) instability or injury
- TFCC injury or tear
- Not recommended for Carpal Tunnel Syndrome

## Size

Measure around the hand at the big knuckles (MP joints)

S/M      6" to 7 1/4"      (15.2 cm to 18.4 cm)  
M/L      7 1/4" to 9"      (18.4 cm to 22.8 cm)

## Hint:

If you are at the end of a size range

- Go up in size if your hand is muscular
- Go down in size if your hand is thin

Size	Left Hand Order#	Right Hand Order#
S/M	P2012-L23	P2012-R23
M/L	P2012-L34	P2012-R34
